

St. Luke's Home, located in a modern purpose built facility beside the River Lee in Mahon on the eastern suburb of Cork City, is a not for profit voluntary organisation which operates a 128 Bed Elderly Care Residential Facility, (incorporating a 38 bed Alzheimer's unit) an integrated Day Care Section and a dedicated Education Centre on-site.

Applications are invited for the following full-time position:

Assistant Director of Nursing (ADON) **- FULL TIME POSITION**

The successful candidate will:

- Report to the Director of Nursing (DON), organise and manage the Residential and Day Care operations of the Home, and maintain the high standard of care and ethos for which St. Luke's Home is well known.
- Support the DON in the role as Person in Charge as prescribed in the Health Act 2007 and related regulations and the standards of the Health Information & Quality Authority (HIQA).
- Have a minimum of three (3) years' experience in high quality compassionate Geriatric Care (including Dementia Care) within the previous six (6) years.
- Be able to demonstrate proven leadership, management and accountability experience in a similar role, working with a large, highly skilled and flexible workforce and collaborate with other medical staff and healthcare professionals.
- Be registered with An Bord Altranais, or entitled to be so registered.

- Possess excellent communication skills with fluent English.
- Hold a recognised Management and/or Gerontology Qualification.
