St. Luke's Home and Charity was founded in 1872 and operates under the patronage of the Church of Ireland. It provides nursing, healthcare, and outreach services for the benefit of the community. St. Luke's Home operates a 128-bed, long-stay nursing home with one Dementia Specific Unit on the shores of Loughmahon in Cork. This provides long-term residential care and day care services for older people. The Charity also runs a dedicated Education and Research Centre (Northridge House) which offers support to the healthcare sector generally.
